

Look at the 10 groups of words below and decide which of the three words is the odd one out. There are no right or wrong answers, as long as you can justify them. Your choice could be based on colour, spelling or gender of noun, to name but a few options.

¿Cuál es el intruso?
¿Por qué?

1	verduras	ensalada	tarta	
2	helado	fruta	sopa	
3	carne	patatas fritas	huevos
